Dear Sir,

This is with reference to your letter bearing no. WBE/Chairman/56 dated 11.06.2019 addressed to our Hon'ble Vice Chancellor, which was received on 12.06.2019 after closure of normal office hours. We highly appreciate your sincere effort for implementing the domicile criteria for admission to different courses under the Faculty Council of Engineering & Technology, Jadavpur University for the academic session 2019 – 2020.

We agree to all the points mentioned in your letter (dated 11.06.2019). However, we have a different opinion regarding the criteria as mentioned in point no. 3. We feel that, the number of non-domicile candidates under General Category should not exceed 10% in any course offered by the Jadavpur University and that to be reflected in your software design. All the seats should be filled up on the basis of General Merit Rank (GMR).

Moreover, in the Government Notification, there was a mention about "total category seats", instead of it "total general seats". We think that this might be a typographical error which should be taken care of.

We apologise for the delay in communicating the modality of implementation of the domicile criteria in Jadavpur University.

Please note that the number of seats in all the reservation criteria (SC, ST, OBCA, OBCB, PWD, TFW) will all remain unchanged.

With best wishes,

Bam
